detailed description

Villa Martinet offers a tropical garden, 2 lounges, a large pool with colour effects by night, a jacuzzi, an outdoor cinema, a fitness room, a sauna as well as its own, almost private bathing bay. Enjoy a breathtaking view of the Mediterranean and the neighbouring island of Formentera from the house. Although the villa is located in a very quiet environment, Ibiza Town is only a few minutes away by car.

The exotic garden surrounded by palm trees has a barbecue site with a complete outdoor kitchen and dining area. Relax on the teak terrace at the pool, in the pleasant atmosphere of a waterfall. Enjoy exotic drinks at the Asia style pool bar. A large golden Buddha of 4 metres in the centre of the terrace watches over the estate. The exterior cinema with different seating possibilities is located below the outdoor terrace.
